

Health Safety and Environmental Policy

Power On believe unwavering commitment to protect the environment, health and safety to all people involved in our activities and thus achieving and incident free workplace with high environmental protection and preventing all types of pollution

We are committed to continual improvements and to regularly reviewing our HSE policies, objectives and targets to ensure effectiveness and full compliance with our moral, legal and contractual obligations

Power on HSE policy objectives;

- A goal of zero harm to people, assets and environment shall be continually pursued.
- Responsibility and commitment to ensure all employees are working in a safe and healthy working environment.
- Believe strongly that all accident /incident are preventable and will take every measure to prevent job related injuries, illness and environmental pollution.
- Ensure provision of information, instruction and training that is relevant to employee's duties to enable them to perform in a productive manner.

A handwritten signature in black ink, appearing to be 'G. G.', with a large, stylized flourish extending from the end.
